

# The Barn Equine Surgery Autumn Newsletter

## Out & About!

So far this year we have been at a range of events, including and not limited to:

- Multiple client evenings
- Salisbury Racecourse
- Sandbanks Sand Polo
- Pony Club Mini Camp
- New Forest Show
- Ellingham Show

As well as being physically present we have also sponsored numerous riding club and school events!

## FIRST AID KIT CONTENTS

Do you have a first aid kit? If so what are your go to items you couldn't live without? Here is a list we'd recommend to keep on hand for emergencies!

All of the contents can be purchased through the practice 🏥🐾

- \* Chlorhexidine surgical scrub - for cleaning skin and dermatitis such as Mud fever and rain scald. Do not use on open wounds.
- \* Povidine solution - use diluted with water so it looks like weak tea for any open wounds (approx 1 teaspoon to 5 litres).
- \* Derma Gel - for necrotic (crusty) wounds and grazes.
- \* Irriclen- For flushing Wounds
- \* Rondopads - a non-adherent sterile dressing.
- \* Bandage Scissors
- \* Soffban
- \* Cohesive bandage
- \* Gamgee
- \* Tikki Tape.
- \* Clinical thermometer.
- \* Cottonwool

Gauze swabs
